Ataco town

Coffee and Flower Route

DESCRIPTION

The Flower Route is a coffee plantation area in the Western side of El Salvador, where four charming towns are waiting to be discovered. The towns are Nahuizalco, Juayua, Apaneca, and Ataco, offering comfortable weather due to altitude. The region offers amazing views of mountains and volcanoes, crafts, coffee tours, colorful towns, markets, and adventure options.

We will visit a coffee plantation and if the tour takes place within coffee season (DEC-MAR), travelers will be able to collect coffee themselves along with the locals.

After this experience, a guided tour will explain each step of the coffee process. Travelers will be able to buy coffee products and crafts as souvenirs. Free time to enjoy lunch on your own.

Optional: For an extra fee, travelers may be able to enjoy adventure options such as horseback riding, mountain bike, ATV tour, or a zip line tour.
